AKIKO is a remarkable 34-meter yacht crafted by Alloy Yachts in New Zealand in 2007. Renowned for its elegance and versatility, AKIKO underwent a comprehensive refit in 2023, ensuring it offers a blend of modern luxury and high performance.

Named AKIKO, which translates to "at a distance from home" in Maori, this yacht truly embodies the spirit of adventure and exploration. It features five opulent guest suites, each with its own ensuite bathroom, accommodating up to 12 guests overnight in utmost comfort.

The yacht's design is distinguished by full-height windows that flood the interior with natural light, enhancing the sense of space and openness. The full-beam master suite is a standout feature, providing a lavish retreat with generous space for relaxation.

AKIKO’s extensive refit has preserved its original allure while incorporating contemporary updates, ensuring it continues to deliver an exceptional experience on every charter.

From November 2024 to February 2025, AKIKO will be available for charter in Far North Queensland and the Whitsundays, offering an unparalleled opportunity to experience the stunning beauty and adventure of these renowned regions.
