ABOUT MOHASUWEI

Step aboard MOHASUWEI, a 33-metre (108-foot) Italian-built superyacht crafted by renowned shipyard Cantieri di Pisa. Originally launched in 2009 and extensively refitted in 2018, MOHASUWEI embodies timeless design and contemporary luxury—perfectly suited for discerning guests seeking both elegance and adventure at sea.

From her expansive sun deck to the private beach club, MOHASUWEI invites you to slow down and savour life on the water. Enjoy panoramic views while lounging in the sun, dine alfresco beneath wide skies, or plunge into turquoise seas via the hydraulic swim platform—designed for effortless access to water toys and tenders.

Her interiors are light-filled and serene, with soft textures and neutral tones that create an atmosphere of relaxed sophistication. The main salon offers multiple lounge zones and a flexible dining area, while a private cinema room with plush daybeds and immersive surround sound delivers the ultimate onboard retreat.

MOHASUWEI accommodates up to eight guests across four ensuite cabins, including a king-size, full-beam master suite, a versatile VIP cabin, and two twin cabins with additional Pullman berths. With a professional crew of five, guests enjoy impeccable service tailored to every moment of the journey.

A 10-metre Technohull tender, a wide selection of water toys, and a sound system spanning every deck complete the onboard experience. Whether you're chasing thrills or simply drifting in the sun, MOHASUWEI delivers a charter like no other.
